This item of local historical political memorabilia has been revived and posted by our Club, both for its general interest and to remind us that community political spirit helps to tie the community together and depends upon the persistent and proud work of ourselves and our neighbors.

With the passage of time, “politics” and “partisan” have increasingly been treated by some as being close to epithets. In fact, it is only by people organizing together, to discuss and work for the common good, that our local, county, state and national objectives have been achieved.

Those who always sit on a fence, instead of taking the risk of creativity, choice and responsibility, would soon find themselves helplessly adrift, were it not for the often adversarial environment of the political process. By opting out, they are left only with choices fashioned by others.

Similarly, grassroots activity, inquiry and informed judgment, within a party, must act as a check on unbridled decision making by a few party leaders. Passive partisanship invariably results in corruption of the democratic process.

This and a number of other items of memorabilia, can be downloaded at the [website of the Rockville Centre Democratic Club](#). We regularly post to the site current and historical documents that provide important and interesting information. If you would like to be on our regular mailing list, send a request to: editor@RVC-Dems.com.

If you have any memorabilia of RVC, Town of Hempstead, Nassau County or National political activity, that would enhance our published collection, you can either donate it to the Rockville Centre Democratic Club, or provide us with the opportunity to copy it so that we can post it on our website for all to see.

To provide such materials, please send an email to editor@RVC-Dems.com

ANNUAL DINNER - DANCE

The Democrats of Rockville Centre are fortunate indeed in the quality of their leadership, both in the regular organization and in the Democratic Club. I know of no area in the county with more dedicated and intelligent leaders than Rockville Centre has in Moe Schneider as Executive Member and Lil Horowitz as Club President — as much in the essential day-in, day-out routine as in heat of a campaign.

Rockville Centre is honored by local representation on the ticket by the designation of the able and personable Ben Gothelf as the Democratic candidate for the Sixth Assembly District seat. I am confident that his nomination will be an additional spur to Democrats of the community to contribute in increased measure to the victory in November to which we are all so eagerly looking forward.

John F. English

Greetings From Your Zone Leader

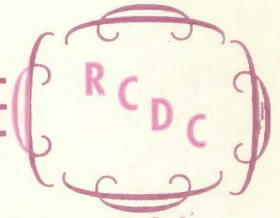

On the occasion of the annual dinner of the Rockville Centre Democratic Club, it gives me a great deal of personal pleasure to welcome you, friends of the Democratic Party.

To the many individuals in the club, who by their diligence and hard work made possible this enjoyable evening and this journal, I extend my heartfelt thanks.

I especially urge all of you, in this a presidential election year, to give generously of your time and substance to help elect all of our Democratic candidates.

Morris H. Schneider

President's Message

I am delighted to have this opportunity to welcome the many friends of the Rockville Centre Democratic Club who are our mainstay and support, and to thank all those who have helped to make this affair and journal successful.

Especially do I extend my thanks to our Dinner Chairman, Arnold Broido, and to our Journal Co-Chairmen, Vincent A. Gorman and Adela Busch, and to their committee for the tough day-to-day, door-to-door assignment they have fulfilled so well.

This Journal is printed proof of your extraordinary interest in the coming November elections. Your attendance tonight demonstrates your enthusiasm for the task ahead. We who worked with the Committee are grateful for, indeed, inspired by your tremendous response. It is with great confidence then that we join you in a pledge of even greater efforts to secure the election of a Democrat to the Presidency, Julius Rosen to Congress, Edward Palange to the State Senate and Rockville Centre's own Ben Gothef to the Assembly.

To all of you we extend our most sincere thanks and to all — Good Luck!
