This item of local historical political memorabilia has been revived and posted by our Club, both for its general interest and to remind us that community political spirit helps to tie the community together and depends upon the persistent and proud work of ourselves and our neighbors.

With the passage of time, “politics” and “partisan” have increasingly been treated by some as being close to epithets. In fact, it is only by people organizing together, to discuss and work for the common good, that our local, county, state and national objectives have been achieved.

Those who always sit on a fence, instead of taking the risk of creativity, choice and responsibility, would soon find themselves helplessly adrift, were it not for the often adversarial environment of the political process. By opting out, they are left only with choices fashioned by others.

Similarly, grassroots activity, inquiry and informed judgment, within a party, must act as a check on unbridled decision making by a few party leaders. Passive partisanship invariably results in corruption of the democratic process.

This and a number of other items of memorabilia, can be downloaded at the [website of the Rockville Centre Democratic Club](#). We regularly post to the site current and historical documents that provide important and interesting information. STATE OF NEW YORK
OFFICE OF THE GOVERNOR-ELECT

270 BROADWAY
NEW YORK, NEW YORK 10007
(212) 488-4141

Dear Fellow Democrats-

We are about to embark upon a new administration in the State of New York, after sixteen years of Republican control. I hope that the coming years will see a flourishing of our State's economy, and a significant improvement in the state of our citizenry, all through the efforts of our united Democratic Party.

The fact that we Democrats are now in a position to engage in positive action on our State programs is a tribute to the many people who worked so diligently in the last campaign. I look forward to further such efforts, and to working with Assemblyman John S. Thorp, District Attorney Denis Dillon and Zone Leader Morris H. Schneider, all members of your Club. Congratulations on your 51st Anniversary, and best wishes for the future.

Sincerely,

Hugh L. Carey

MARY ANNE KRUPSAK
LIEUTENANT GOVERNOR

STATE OF NEW YORK
OFFICE OF THE LIEUTENANT GOVERNOR
ALBANY 12224

It is with pleasure that I greet and congratulate the Rockville Centre Democratic Club, on the occasion of its fifty-first anniversary. That you have survived your first half-century in a county with so strong a Republican Party organization, is indeed a tribute to your dedication to the principles of compassion and humanity which have made ours the "party of the people". I know that your efforts on behalf of the Carey/Krupsak ticket were an important factor in our success. We face difficult economic times, when your support will make the difference in sustaining the hard decisions our administration will be making. With every good wish for your next fifty years, I thank you for the opportunity to share your pride in your longevity.

It is a distinct pleasure for me to extend a personal greeting to my fellow members of the Rockville Centre Democratic Club on the occasion of the publication of the 51st Anniversary Journal.

Political groups, like our Rockville Centre Democratic Club, bring the policies and the programs of the Democratic Party to the attention of all of our citizens. This local effort has helped the two-party system of our government to remain vibrant here in Nassau County. Our success in the 1974 Election attest to that.

Finally, I particularly wish to express my sincere appreciation to the Club for the loyal and effective support it has given to my seven election campaigns. I look forward to continuing to work with you in the years ahead.

To the Officers, and Members of the Rockville Centre
Democratic Club

My victory on election day belongs to all of you who worked so hard to make it possible.

This year, although it was evident to the public that the time had come for change, the groundwork for victory was laid years ago by you, the men and women who worked for change when it was unpopular and difficult to be an active Democrat in Nassau County.

It is you and the Democratic candidates who spoke out and campaigned at times when there was little chance of success who deserve praise.

Thank you for your support, and all your efforts on my behalf. I promise to serve you to the best of my ability as District Attorney.

A great moral crisis has been experienced by this Country and our people. The amorality and immorality of a Vice-President and a President, their out-right crimes, and forced leaving of office has been a sobering experience. Out of the chaos came some good, the recognition by the American people that the Republican Party, which harbored these polluters of the democratic process, must be removed from office. The people recognized that ours must be a Government of Laws and not men.

Hard work and this ground-swell made possible some sweet victories in the last election in Nassau County and its towns. There remain in office many who supported and gave the same kind of leadership as exemplified by would-be 'King Nixon'. The lesson is plain: we must prepare at once to carry each office in the Town of Hempstead elections in November 1975. Enlist your friends and neighbors. Do your part in preserving our basic heritage of a government of laws.

GREETINGS
FROM
A FRIEND

Perhaps there are a few 'disillusioned' or 'tired' young and older radicals or vigorous-type liberals who will read this. I ask them to continue the struggle for improving the world through bourgeois politics. As Roger Baldwin, the 91 year old founder of the ACLU said at a recent dinner for Al Lowenstein, you can keep young and alive by fighting for unpopular causes. There are always a few occasions when you can make a slice of the sweeping change and achieve a bit of the bright world of which we dream. Integration of all the ideal elements is a job for many people and many years. Moreover your continuous touch of vigor and idealism in the Democratic Party have fired a more progressive spectrum in every Presidential candidate from FDR to McGovern. The people must not be let down to a party which doesn't make a difference. Keep active on the new issues as the old fade away. Give new leadership.

ORIENTAL-HAWAIIAN FRUIT PILAF---
SOUTH PACIFIC

3/4 cup dried apricots, sliced 1/2 inch thick
6 dried figs, sliced 1/2 inch thick
4 dried peaches, sliced 1/2 inch thick
4 dried prunes, pitted and sliced 1/2 inch thick
2/3 cup sliced pitted dates
2/3 cup seedless raisins
1/2 cup Kikkoman plum wine
1/2 cup Madeira
2 cups brown rice
4 cups water
1 tsp. salt
1 tsp. ground cinnamon
1/2 cup butter
1/2 cup chopped browned almonds

Soak all dried fruits until soft in water to cover, drain, and then marinate dates and raisins overnight in plum wine. Marinate apricots, figs, peaches and prunes in Madeira. Wash rice, and place in large kettle; add 4 cups water and bring quickly to boil. Reduce heat, cover, and cook for 20 min. Stir in salt quickly, cover, and cook for 25 min. over lowest possible heat. When rice is done, toss with cinnamon. Put mixture in buttered casserole, and dot with butter. Cover tightly, and bake at 350F. for 10 min. Toss fruits through hot rice, and empty into fancy well-buttered mold. Let set for 5 min. Turn out onto platter, and garnish with almonds. This rice dish is excellent with roast pork or curry. It may be refrigerated and reheated 20 min. at 350.

 - 1 package dry yeast dissolved in 1/4 cup warm water
 - 3 egg yolks
